24-4-2 DRIVING RULES.

(A) **Careless Driving.** It shall be unlawful to operate a vehicle in the City in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D) **Unlawful Possession of Highway Sign or Marker.** The City's Street Department with reference to traffic-control signals, signs or markers owned by the City are authorized to indicate the ownership of such signs, signals or markers on the back of such devices in letters not less than **three-eighths of an inch (3/8")** or more than **three-fourths of an inch (3/4")** in height, by use of a metal stamp, etching or other permanent means and except for employees of the City, police officers, contractors and their employees engaged in highway construction, contract or work on the highway approved by the City, it is a violation of this Chapter for any person to possess such sign, signal or marker so identified. **(See 625 ILCS Sec. 5/11-313)**

Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.
